GUIDELINES

- Oscillation will be conducted in two tracks:
  Ideathon Track
  project presentation

- Teams are permitted to participate in both the Ideathon and the project presentation Events; however, the submissions for each event must be distinct and strictly aligned with their respective selected domains.

- Resources & Originality: Bring your own laptops, hardware, chargers, etc. Internet will be provided. Plagiarism is prohibited; pre-built libraries allowed with originality.

- General Guidelines: Plan and test beforehand, keep the venue clean, damage is your responsibility, and problem statement/domain changes are allowed.
